# Care for Our Common Home

## RNDM News

The purpose of this newsletter is to provide news of RNDM involvement in actions and activities related to our ministry of Caring for Our Common Home.

*Good news story from France:*

### ECOLOGY AT NDM in TOULONS

For several years now, Notre Dame des Missions School has been interested in ecology. One teacher had the idea of enrolling a few students in groups working for ecology: 'ecotubers' and 'for my planet'.

We introduce 'ecotubers'. Here is the translation of the 2025 poster being displayed in schools:

#### ***PRESENT YOUR SHORT FILM AT CANNES***

*Are you passionate about ecology, climate change and biodiversity? Join the Ecotubers adventure and create a film with other volunteer students from your school..*

*The Ecotubers competition is:*

- A short film lasting between 1 and 5 minutes
- On the theme of ecology, climate and biodiversity
- In the form of a fiction film, documentary, animation or clip

*4 prizes to be won:*

- Grand Prize
- Jury Prize
- Special Mention
- Audience Prize

#### *Why participate?*

- Discover what goes on behind the scenes in cinema
- Raise awareness of environmental issues
- Watch a film at the Cannes Film Festival, on France TV, Lumini and in cinemas
- Win a trophy

#### *How to register?*

- Be willing and motivated
- Register with your teacher
- Participate actively in workshops and filming

#### *Key dates*

*Workshops from January to April*

*Film submission deadline: 30 April*

*Results and screening: Cannes, June and September*

The school has been participating in a festival for two years and has won a trophy.

#### Porquerolles Festival 2024

#### Cannes Film Festival 2025
