Care for Our Common Home

RNDM News

The purpose of this newsletter is to provide news of RNDM involvement in actions and activities related to our ministry of Caring for Our Common Home.

As this is the final Newsletter for 2025 we would like to thank all those who contributed to the newsletter over the 78 issues. Thanks too, to the CCH Promoters who sought for material and encouraged their sisters to not only "act" in terms of caring for our common home, but also to record for all to see. THANK YOU!

We conclude with a Good news story from Vietnam:

First and foremost, we would like to send warmest greetings and wishes for peace and well-being from this new land, the Dong Nai – Vietnam.

I am writing this letter to sincerely express the profound gratitude of my sisters and me for sharing of the funds dedicated to plant trees and create a green space for the new base of the Vietnam Province.

This deeply meaningful initiative and action is not merely material assistance; it is also a vivid testament to the deep sisterhood within our extended family of the Sisters of Our Lady of the Missions (RNDM). It is the clearest proof that we are united in building and nurturing the future together on this promising land.

We are overjoyed to share the results:

- Thanks to the support, we have planted 30 pine trees, 30 redwood trees, and 30 agarwood trees. With the sisters' dedicated care and nurturing, some of these trees now stand two meters tall, and all are steadily growing, adorning this land with vibrant beauty and life.

Redwood trees

In the same year, the jubilarian sisters decided to transfer the entire celebration fund to the Dong Nai. As a result, we continued planting and caring for an additional 100 cashew trees, along with various fruit trees and ornamental plants, making our home and garden even more charming and lush.

Looking at every corner of the garden, at every tree growing day by day, we deeply feel that each plant here is a living witness to God's boundless love for humanity and the world. It is a joy that has been multiplied—a joy you helped us sow.

We are profoundly grateful to you all and extend our most heartfelt thanks from the bottom of our hearts. May God pour out abundant blessings upon you, especially during the upcoming Christmas Season, that you may be filled with the grace and love of the Incarnate Word. We wish you a peaceful and happy New Year 2026.

***Let there be LIGHT in our hearts
as we care for our home,
the home to all of God's creation!***

**Cashew trees
Blessings of peace in 2026!**
